## ABOUT CAYMAN

### “JURISDICTION OF CHOICE”

The Cayman Islands is currently the world’s sixth largest international banking centre in terms of both total liabilities and total assets held in financial institutions.

Cayman continues to attract service providers such as lawyers, accountants and administrators of the highest caliber, making the jurisdiction attractive to foreign investors. The wealth of international expertise available in Cayman is one of the key factors making Cayman a jurisdiction of choice. Clients have access to a wide array of services including banking, trusts, funds, Company management, structured finance, vessel and aircraft registration, insurance and stock exchange listings.

## ORDINARY RESIDENT

This vehicle is most appropriate for companies who would like to carry on business in the Cayman Islands. Unless it is licensed under certain other laws, the Company must be at least sixty percent (60%) Caymanian owned and controlled or licensed under the Local Companies (Control) Law.

## FOREIGN COMPANY

This is where a Company is incorporated outside the Cayman Islands and establishes a place of business carrying on business within the Cayman Islands.

## EXEMPTED LIMITED PARTNESHIPS

A limited partnership can also become an exempted limited partnership, or one can be formed de novo, by filing a statement with the Registrar of Limited Partnerships. Unlike the Limited Partnership declaration, this does not need to include the names of the limited partners or the amounts of their contributions.

## OTHER STRUCTURES

- Ordinary Non-Resident Company
- Limited Partnership
- Segregated Portfolio Company (SPCs)

## OUR SERVICES

### EXEMPT COMPANIES

**Exempted Companies are the most common choice of offshore vehicles.** The objective of this vehicle is if the Company's objectives are to be carried out mainly outside the Cayman Islands, therefore it cannot trade within the Cayman Islands.

### WHY DO OUR CLIENTS USE OFFSHORE COMPANIES?

- Save Tax
- Protect assets and reduce risk
- Reduce Costs
- Maintain privacy

### USES OF OFFSHORE COMPANIES

- Investment Holding
- Trading
- Property Investment

## CORPORATE ADMINISTRATION

Various services can be provided for client companies in the field of Company management and corporate administration services which include the following:

- Maintenance of the Register of Directors and Officers
- Maintenance of the Register of Members
- Maintenance of the Register of Mortgages
- Maintenance of the Minute Book and preparation of Minutes for Directors and Shareholders as required
- Annual Return Payment to the Registrar of Companies

## REGISTERED OFFICE

If your company wishes to be domiciled in the Cayman Islands, CMS will provide all requirements to establish and operate the business successfully. This entails maintaining the minute book in accordance with the regulations.

## KYC - CONFIDENTIALITY AND PRIVACY

Pursuant to international regulations concerning the prevention of anti-money laundering, we take great pride in ensuring that all legal and regulatory requirements are met in accordance with the Cayman Islands. Therefore, we strictly implement the Anti-Money Laundering Procedures which comply with the laws, rules and guidelines "of getting to know your client".

Whilst we respect your privacy and any need you may have for confidentiality, we are committed to undertaking a full and thorough due diligence of both our clients' identities and the nature of their businesses.

*"You get CMS when and where you need them!"*

*"In an ever changing, fast-paced world, success is determined by good choices for lasting effects. CMS strives to be the best choice for clients by helping to ease their corporate services needs."*
